## *Curriculum Vitae*

Postdoctoral Fellow  
Central European University  
Quellenstrasse 51-54  
1100 Vienna, Austria  
E BrennerD@ceu.edu

I'm a Political Economist and Postdoctoral Research Fellow at the Department of Public Policy (Central European University) in Vienna with a research interest in legislative political economy and non-bank financial integration. In my current position, I am involved in the OSUN-funded Global Corruption Observatory (GCO) which collects novel legislative data and probes the effects of legislative favoritism on company performances by matching variation in legislative processes and regulatory tools with micro-level company data around the world.

CV Version: 28.11.2022
